Have also had a sneak preview of the AUWWCC website, will be up very soon so set it as your home page – It will be full of awesome info.

### **Sponsorship**

We're still actively seeking sponsorship both cash and in-kind. If anyone has any 'hot' opportunities they know of that we'll be able to follow up on, can you please send the ideas to Lis Tracsdorf [Lis@muwwc.com](mailto:Lis@muwwc.com) . Any assistance & leads will be greatly appreciated and potentially rewarded.

That should give you most of the info you need to know for now (any other info will be on the website- [auwwcc.uniskiwake.com](http://auwwcc.uniskiwake.com) or in one of the other updates attached below) so get cracking on the registrations (tournament teams & social) and we'll see you all down at AUC.

Looking forward to a massive one!
